

GAME ON: WELCOME BACK

We're back and ready to press start on another amazing school year! Our theme, "Level Up on Learning," is all about progress, perseverance, and powering up our potential. Just like in any great game, success comes from teamwork, practice, and celebrating each achievement along the way.

This year, we're encouraging our students to take on new challenges, explore creative ideas, and build confidence with every level they reach. With your support, whether it's cheering from home, volunteering, or partnering with our school community, we know our students will continue to grow academically, socially, and emotionally.

Together, we'll Level Up on Learning and show what happens when determination meets fun. Game on, everyone!

EDITIONS OF
Growing Together

In our monthly editions of our newsletter "Growing Together", we'll share brief updates from the different departments around our school. These highlights are meant to give a snapshot of exciting events, projects, and achievements happening school-wide and in the community. For information specific to your child, please don't hesitate to reach out directly to their teachers!
